

North Shore Women's Centre's Crimson Cabaret 2012

Dear Performer,

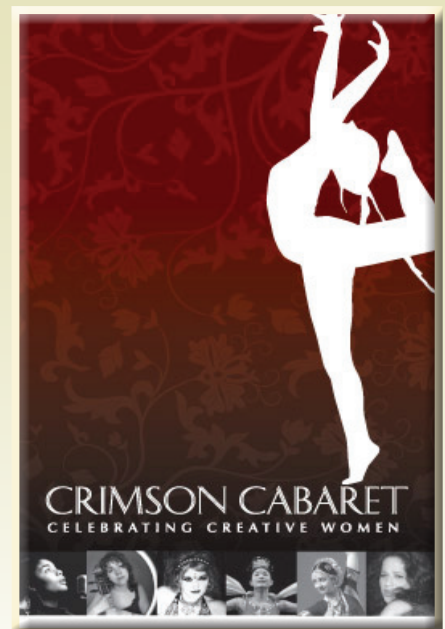

On behalf of the North Shore Women's Centre, we would like to request your participation in our annual benefit production, "Crimson Cabaret: Celebrating Creative Women 2011". The North Shore Women's Centre strives to improve the social, economic and political status of women, and to encourage and support selfempowerment by acting as a resource and a catalyst for change. We offer women, girls and transgendered individuals across the North Shore access to information, advocacy, referrals and free drop-in service programs. We believe these resources provide them with the opportunity to make informed choices in their lives, preventing crisis and encouraging full participation in all aspects of our communities.

On Saturday, March 10th, 2012, in conjunction with International Women's Month, we present our sixth annual benefit production, "Crimson Cabaret; Celebrating Creative Women". This year, similar to last, we again present an all-women's showcase event exhibiting a wide range of vibrant local talent at Centennial Theatre with an expected attendance of 705 people. It is our intention to coordinate events that are parallel to our overall mandate and it is our goal for this event therefore, to celebrate creativity and talent through the lens of diversity, art and social change. This project is a crucially important venture in which individuals of many different backgrounds and experiences will exercise solidarity and congregate as a supportive and vigilant collective! In previous years we've had the honour to work with the following artists; Rosario Flamenco Dance, Coco Love Alcorn, Dianna David, Tara Cheyenne Friedenber, Vancouver Korean Dance Society, Jackie Essombe, M'Girl, August, Cris Derksen, Veda Hille, No Shit Shirleys, Ndidi Onukwulu, Lorita Leung Dance Academy, Kinnie Starr and more! We believe that your performance would contribute to this rich diversity and would love the opportunity to work with you.
