

International Women's Day Celebration and Benefit

About

Each year, the North Shore Women's Centre hosts a celebration and benefit event to recognise International Women's Day. This is our main fundraiser of the year supporting our work towards gender equality.

This lively and informative evening of connection, food, and entertainment raises funds to support the ongoing operations of the organization, which provides more than 9,000 service contacts annually and offers a safe space when there is nowhere else to go.

Through a drop-in resource centre and programs such as support groups, legal clinics, computer training, food security, health and wellness, youth empowerment and more, the North Shore Women's Centre supports women experiencing intimate partner violence and assault, food insecurity, poverty, single parenting, homelessness, unemployment, disability, legal struggles, discrimination, and more.

Our next event will take place on **Saturday, March 7, 2026** at the beautiful **Seymour Golf Club**. Guests will enjoy a delicious dinner buffet, shop from our eclectic silent auction, and take part in a special live auction hosted by our emcee. Individual tickets are \$175, or \$1,200 to host a table of eight.

Get Involved

Sponsorship

Your partnership will help make International Women's Day 2026 a distinctive and memorable event supporting and empowering women in our community. Sponsorship starts at \$500; our Premier Sponsors are the stars of the event with top tier \$5,000 contributions. While sponsorship is not eligible for a tax receipt, we are very pleased to be able to recognise our event sponsors in a variety of ways including complimentary tickets, private events, social media focus and speaking opportunities.

Monetary Donations

Monetary donations from individuals, households and businesses also support our fundraising event and are eligible for a tax receipt.

Host a Table

Celebrate together, and experience International Women's Day with a special group of 8 when you host a table for your friends, family or colleagues. Group ticket sales qualify for a discounted rate.

Auction

In-kind donations to our live and silent auctions help raise funds for our programs and services. Jewelry, gift cards for restaurants, entertainment and services, home decor, and one of a kind items and experiences are always appreciated.

Thank you for your support!
**Have questions about tax receipt eligibility, a possible collaboration,
or deciding if sponsorship or donation is right for you?**
